# 2020

**First day back after Christmas is January 4th, 2021.**

### **Snow Day Protocol**

All parents of secondary & intermediate students, please remember that if your child walks to school and it is a snow day you are required to notify the school that your child is in fact at home safe. Notification can be done via a phone call (613-359-5391), email to [rideaudhs@ucdsb.on.ca](mailto:rideaudhs@ucdsb.on.ca) or through your 'My Family Room' account.

### **Student Absences**

If your student is absent from school please contact the school either by phone @ 613-359-5391 (answering machine available 24/7), enter in 'My Family Room' or email to [rideaudhs@ucdsb.on.ca](mailto:rideaudhs@ucdsb.on.ca). Students who arrive late to school or need to leave before the end of the regular day are required to sign in/out at the main office. This is required for safety reasons.
