

COVID-19

All Grade 9-12 students must complete COVID-19 screening each day before leaving for school.

If you have not yet completed the online UCDSB Student Self-Screening Tool, review the questions below.

Do you have any of the following symptoms?

Answer yes if they are new, worsening, and not related to other known conditions you already have:

Cough or barking cough

Fever or chills

Difficulty breathing

Sore throat, trouble swallowing

Loss of taste or smell

Runny or congested nose

Headache, extremely tired or muscle aches

Nausea, vomiting, or diarrhea

- In the last 14 days, have you travelled outside of Canada?
- In the last 14 days, have you been identified as a "close contact" of someone who currently has COVID-19?
- In the last 14 days, have you received a COVID Alert exposure notification on your cell phone?
- Has a doctor, health care provider, or public health unit told you that you should currently be isolating (staying at home)?

If you answer **YES** to any of the questions above, please report to the school office and make arrangements to return home and self-isolate. Complete the student screening tool to determine next steps.

UCDSB Student COVID-19 Self-Screening Tool

If you answer **NO** to all questions above, sign the log sheet confirming your results indicate you are permitted to attend school.
